INTRODUCTION.

TN presenting this publication, the managers of Crown Hill Cemetery hope to give to all those interested some idea of its growth and progress in later years, and more especially since 1888, when the last book was issued. A comparison of the two shows an increase in the number of lot-owners for the past eight (8) years of 2,208; the former book contained 3,793 and the present one 6,001 names.

Changes have been made in the rules and regulations which restrict individual display both in floral and monumental work, the excellent effect of which in promoting unity of design is well seen in the accompanying illustrations. The lawn plan, now enforced in most of the modern cemeteries, being especially adapted to the character of our landscape, was adopted in the very beginning as the fundamental scheme of all improvements, and the carrying out of this plan, subject only to the few changes that experience has proved to be necessary, places Crown Hill to-day in the front rank of modern rural cemeteries.

A brief sketch of the origin, organization and mode of management of this corporation forms a fit introduction to the present work. For some years before its foundation it was so obvious that the old grave-yard known as Greenlawn would soon be inadequate to the needs of the city that suggestions of new sites and larger areas for this purpose were frequently made, but formal action in the matter was not taken until the Fall of 1863. Three pioneer citizens, who had been chiefly concerned in the planning and extension of the old grave-yard, took lead in the far greater work of establishing the new one. Calvin Fletcher, Sr., James M. Ray and James Blake, having interested a few other citizens in the project, invited John Chislett of Pittsburg, Pa., to be present and address a meeting called by them on the 12th of September, 1863.

Gen. Thomas A. Morris, Wm. S. Hubbard, Theodore P. Haughey, A. L. Roache, John C. New, S. A. Fletcher, Jr., Herman Lieber, J. D. Carmichael, James Blake and James M. Ray, attended the meeting. Aided by the advice of Mr. Chislett, committees were appointed to select a site, perfect plans and prepare for incorporation, which was finally completed under the statute on the 25th of September, 1863, with thirty incorporators. The Crown Hill site was purchased; additional ground has been added since to the original purchase, so that it now comprises 464 acres, making one of the largest cemeteries in the United States. Mr. Frederick W. Chislett, son of Mr. John Chislett, was elected superintendent and work was begun as soon as possible. On the 1st of June, 1864, Crown Hill was dedicated with appropriate ceremonies, including an address by Hon. Albert S. White, Ex-United States Senator and Judge of the Federal District Court of the United States. The fundamental principle of the organization is that all money received from sale of lots must be applied to maintain and improve the grounds; this is unalterable, and a final assurance to all concerned that the Cemetery can never be perverted to selfish or speculative abuses.

The Board of Incorporators is self-perpetuating, the members filling all vacancies at their pleasure and electing the Board of Managers annually. Upon these principles the management has been undeviatingly conducted with a success far exceeding the expectations of the most sanguine.

Since the last report was issued important changes have been made; the main entrance and office has been moved to the east side of the Cemetery, and the handsome stone gateway, with adjoining commodious offices, has been erected. The adjacent grounds have had their great natural beauty developed and made accessible by walks and drives, and the policy of the management to have this part of the Cemetery used only for ornamentation and park purposes, fully carried out. A water plant has also been added, furnishing ample facilities for sprinkling the drives and keeping them in excellent condition, free from dust at all seasons of the year. Two lines of electric cars, one on each side of the grounds, have greatly increased the facilities of access to the Cemetery, while a wagonette is in constant readiness to convey visitors wherever they wish to go, on the payment of a small fee.

The beauty of the site, its advantageous situation in relation to the city, the taste and skill applied to the planting of the grounds, conforming to the natural surface so as to improve these and be improved by them, and the wise liberality of the management, have made Crown Hill Cemetery one of the finest in the country, and the pride of the Capital of the State.

ARTICLES OF ASSOCIATION.

SECTION 1. Under the laws of the State of Indiana, James Blake, Calvin Fletcher, Sr., James M. Ray, William H. Morrison, Thomas H. Sharpe, William O. Rockwood, William S. Hubbard, Theodore P. Haughey, Stoughton A. Fletcher, Jr., John C. New, Nicholas McCarty, Jesse D. Carmichael, Charles N. Todd, William Sheets, John M. Kitchen, Robert Browning, Addison L. Roache, George Tousey, Ovid Butler, J. H. Vajen, Elijah B. Martindale, Herman Lieber, William Wallace, Daniel Yandes, John M. Lord, John Armstrong, John Love, Almus E. Vinton, Thomas A. Morris and Jacob A. Crossland, agree to associate themselves, and they and their successors are hereby associated, as a body politic and perpetual corporation, under the name and title of the Crown Hill Cemetery, for providing within appropriate distance of the City of Indianapolis, in Marion County, Indiana, suitable grounds for the burial of the dead.

SEC. 2. The distinct and irrevocable principle on which this association is founded and to remain forever, except as is hereinafter allowed, is that the entire funds arising from the sale of burial lots, and the proceeds of any investment of said funds, shall be and they are specifically dedicated to the purchase and improvement of the grounds of the Cemetery, and keeping them durably and permanently enclosed and in perpetual repair through all future time, including all incidental expenses for approach to the Cemetery, and the proper management of the same; and that no part of such funds shall, as dividend, profit, or in any manner whatever, inure to the corporators.

SEC. 3. The said corporators shall, at least once in every year hereafter, fill, by election by ballot, all vacancies which may occur among them, and may, at the same time, or other times, increase and add to their number from those who may be lot-holders in the Cemetery, so that the said corporators shall never be reduced to less than fifteen nor exceed thirty members; but no power shall belong to any less number than fifteen to transact any other corporate business, except to fill vacancies of corporators; and they shall have power directly, or through their Board of Managers, to ordain and execute all such by-laws, not contrary to the Constitution and laws of the United States, or of this State, as may be needed for the government of the corporation, its officers, and affairs.

Provided, however, That any person holding title to a lot or any part thereof, whether by purchase, devise or inheritance, whether as joint tenants or tenants in common, shall be considered as a lot-holder within the meaning of this section, and qualified to be elected and act as corporator.

SEC. 4. The annual meeting of the corporators shall be held at such place in the City of Indianapolis, on the first Tuesday in the month of June, as of which notice shall be given ten days prior, by the Secretary, in two public newspapers of said city. In case of any failure to hold such annual meeting, at such date, within such month, and elect such Board of Managers, and fill any vacancies in the number of corporators, an election for such purposes, and doing any other business, may be had at a general meeting of the corporators at any other time, on ten days' notice being given by order of the Board of Managers, to be published as above; which order said Managers shall issue at the written request of any five of the corporators.

SEC. 5. The corporators shall, upon organizing and afterwards, at their annual meeting or general meeting when held, elect from their number, by ballot, seven Managers, who shall serve one year and until their successors are elected; and, in case of a vacancy occurring in such number, between the annual election by the corporators, the remaining Managers shall, by ballot, fill such vacancy.

SEC. 6. The said Managers shall have power to constitute themselves a Board by the appointment, of their own body, a President, whose duty it shall be to preside at their meetings, or, in his absence, any Manager then chosen may preside, and to sign all conveyances of lots or property conveyed by the corporation; and the Managers shall also appoint a Secretary and Treasurer, who shall each make a report of their proceedings, and the state of the finances, to the Board of Managers as often as may be required of them, and also at the annual meeting of the corporators. The Board of Managers, of whom five shall form a quorum, shall also have power to appoint a Superintendent, upon whom shall devolve, under its super-

vision, the general management of the Cemetery, and also all other officers, agents and workmen which may be needful, and to fix the compensation of all persons appointed by them, and the same discharge at pleasure; to take from the Treasurer security for the faithful performance of his trust; and the said Managers shall keep fair minutes of their acts and doings, and make a report thereof to the corporators at their annual meeting.

SEC. 7. The said Managers shall have power to contract for and purchase, from time to time, of the owner or owners thereof, as much land in Marion County, in this State, not exceeding six hundred acres, as they shall deem appropriate, permanently to provide a rural Cemetery, within six miles of the City of Indianapolis, as suitable grounds for the burial of the dead, and the same to lay out and ornament, and to divide and arrange into suitable plats and burial lots; remove and alter old and erect new buildings, have appropriate entrances and approaches made, and secure permanent enclosures, and to do all other things needful to be done to adapt the said grounds for the purposes of a Cemetery; and to sell and convey said lots and burial lots, in fee simple or otherwise, for the purpose of sepulture, to individuals, societies, or congregations, without regard to sect, under such regulations as the said Managers may establish for the government of lot-holders, visitors to the Cemetery, and burial of the dead: *Provided*, That the lots granted by the said corporation for burial lots shall not be used for any other purpose. Said Managers may, in their discretion, at any time before disposing of the same for burial purposes, sell any portion of the lands purchased which may not be found appropriate to the object of the Cemetery, and purchase other suitable lands, not exceeding, finally, for the Cemetery, such six hundred acres. And, for the purpose of such purchase and acquiring such lands so to be used, or other needful expenditures of this corporation for carrying its indebtedness to the best advantage and affecting any of its objects, said Managers may borrow, on account of this association, any amount of money which they may deem to be requisite, and execute and deliver any needful obligation therefor, and may engage to pay interest not exceeding eight per cent. per annum thereon, and may give any needful lien on the property of the association, except that in that case it shall be provided expressly that whenever any section or portion of the grounds of the Cemetery be laid off, and ready for sale for burial use, the same as numbered and described on the plat of the Cemetery, shall be released from any and every such lien whatever, the Managers, if required, stipulating in such case that one-half of the proceeds of the sale of lots in such section laid off shall be applied to the discharge of the loan so secured by lien. The Board of Managers shall be authorized to invest any of the

surplus funds, at any time, in the public securities of the United States of America, the City of Indianapolis, the State of Indiana, or any other State securities equally safe.

SEC. 8. Each corporator shall become a member of this association by subscribing these articles, and shall thereby be under obligation, at the request of the Treasurer of the corporation, to execute and deliver to him for the use of the Board of Managers, in effecting the object of this association, a note satisfactory to said Treasurer, payable at a bank in this city, without relief from valuation or appraisal laws, for the sum of five hundred dollars, in such installments thereof as may be called for, from time to time, by the Board of Managers, after ten days' written notice by the Secretary: which payment shall bear interest until they are repaid at the same rate as may be paid by the Board for any money that may be borrowed to purchase the real estate for the Cemetery; or such corporators or party giving such note may have credit for the amount of any such payment and such interest on any purchase of burial lots he may make in said Cemetery.

SEC. 9. Each corporator shall be entitled to one vote at any meeting of the corporators of this association.

SEC. 10. The seal of this corporation shall be of brass; an engraving thereon for an impression thereof shall be that of a broken column, entwined with ivy and evergreen, with the following words on its circle: "The Seal of the Crown Hill Cemetery."

SEC. 11. A failure to give the note which may as above be required of any corporator, when called upon by the Treasurer of the corporation, or to make any payment on such note after notice, when demanded, or a removal by any corporator from the County of Marion, Indiana, shall, *ipso facto*, vacate the membership of such corporator, and all his connection with this association shall thereupon cease.

SEC. 12. As no profit or income whatever can inure to the Managers or other corporators of this association, no individual liability whatever for its debts shall attach to them, or any of them, by its organization or its operations; and in all obligations which may be given by its Managers, as a Board or otherwise, on behalf of the association in its engagements, it shall be expressed or understood that no individual liability is thereby incurred by the Managers or corporators of the association, nor shall it ever be claimed thereon by the party or his assignee receiving such obligation.

SEC. 13. At any annual meeting of the corporators, duly notified, any alteration may be made in these Articles of Association by a vote of three-fourths or the whole corporators of the association, but no change shall ever be made in the dis-

tinct and irrevocable principle of the perpetuity of this association, and the dedication of all the net receipts thereof sufficiently to secure such perpetuity in the best manner to effect the objects of this association, according to the true tenor and meaning of these articles; but, after twenty-five years shall have expired from the organization of this corporation, by a vote of twenty-five of the corporators living within the County of Marion, Indiana, the Managers, after a fund has accumulated which will amply and permanently provide for the preservation, sustaining, and ornamenting the Cemetery, such alteration may be made, at any annual meeting, in the principles and limitations of these articles, as that out of the surplus funds of this Cemetery Association contributions and appropriations may be made by the Managers in aid of the poor of the City of Indianapolis.

SEC. 14. The Managers shall annually set apart not less than ten (10) per cent. of the gross annual receipts of the association for a fund which shall amply and permanently provide for the preservation, sustaining and ornamenting the Cemetery, and may annually set apart a larger per cent. of the receipts for such purpose, if in the judgment of the Managers it can be prudently done.

SEC. 15. The Managers may invest the funds of the association, not only in the way now provided by its articles, but also in good real estate mortgage securities: *Provided, however,* The real estate mortgaged shall be worth not less than twice the amount to be loaned.

In witness, whereof, the undersigned subscribe their names as corporators of this association, at Indianapolis, this twenty-fifth day of September, A. D. one thousand eight hundred and sixty-three.

And in no case shall a deed be executed for any lot until the same has been fully paid for.

RULES AND REGULATIONS PRESCRIBING THE CONDITIONS, LIMITATIONS AND
PRIVILEGES TO WHICH EVERY LOT IN CROWN

1. The proprietor of each lot shall have the right to erect proper stones, monuments or sepulchral structures, strictly subject to the regulations governing the same.
2. The proprietor of each lot shall erect, at his or her expense, suitable landmarks of stone, at the corners or boundaries thereof, not less than two and one-half feet long, and set even with the surface of the ground, and shall also cause the number thereof to be legibly and permanently marked on one of such stones; and if the proprietor shall omit, for thirty days after notice, to erect such landmarks and mark the number, the Managers shall have the authority to cause the same to be done at the expense of the proprietor.

But such burial right shall be personal to himself and the persons above named; and such right shall not be transferable, either by voluntary or involuntary conveyance, to any other person or persons without the express consent of the Board of Managers of the Cemetery.

19. Lot-owners are prohibited from placing on lots or graves all toys, cases, boxes, globes, shells, cans, jugs, bottles and bric-a-brac of every description; any such articles found on the Cemetery grounds will be removed.
20. No wooden benches, chairs, settees, head-boards or wooden articles of any kind allowed on the grounds.
21. Heavy loads will not be allowed to enter, unless by permission of the Superintendent.

MONUMENTAL WORK.

1. All monumental work must be brought into the Cemetery grounds at the east entrance.
2. All foundations for all stone work must be built by the Cemetery Company, and must be ordered and paid for at the Superintendent's office at least two weeks in advance of the arrival of the work.
3. All monuments and head-stones must be of a good quality of granite, marble or other stone adapted to such purposes. No other material will be allowed in the Cemetery grounds.
4. No head or foot-stones over one foot in height above the surface of the lot allowed, and must be four inches or more in thickness.

10. In the erection of monuments, vaults, tombs or other structures, a place will be designated by the Superintendent for the deposit of the stones, brick or other materials, which shall not remain longer on the ground than is actually necessary for their construction.

11. All workmen employed in the construction of vaults, erection of monuments, landmarks, or any other work, must be subject to the control and direction of the Superintendent; and any workman failing to conform to this regulation will not be permitted afterward to work on the grounds.
